INTER-OFFICE MEMORANDUM

ATTENTION OF Memo to File

DATE January 18, 1979

DEPARTMENT _____

Re: Continental Trailways
428 St. Louis
Springfield, Missouri 65806

I called Mr. Jeff Jones this afternoon and he indicated that Cunningham Equipment Company has been unable to repair the leaking fuel line due to inclement weather. He also indicated that all fueling of buses is being done in Memphis and Kansas City, not here. He said there appears to be no leakage at this time and that he will call me when repairs are completed.
